Bill Owens
Governor

April 28, 2006

Greetings:

On behalf of the citizens of the State of Colorado, it is my pleasure to welcome you to the 23rd annual Colorado Mathematical Olympiad in Colorado Springs.

Each of this year's participants has committed her or himself to pursuits of the mind through hard work, perseverance, and a dedication to learning. They have set an example for their peers, and for students across Colorado.

Congratulations to all of this year's participants, and best wishes for a successful Olympiad. You are the pride of Colorado's schools, and each of you has earned the honor of participating in this prestigious event.

Sincerely,

Bill Owens
Governor
